

Scottish Land Fund

Ionmhas Fearainn Na H-Alba

Scottish Land Fund awards from April 2016

Organisation name	Local authority area	Award	Project summary
Bonnymuir Green Community Trust	Aberdeen City	£ 164,750	The group will purchase the former Bonnymuir Bowling Green, and the accompanying pavilion building, using the Community Right to Buy legislation. It plans to create a unique external green space within the city including a market garden and a community building with a café, meeting space and retail space for locally grown produce.
Donside Village Community SCIO	Aberdeen City	£ 55,100	The group will purchase 4.5 acres of land in Tillydrone, Aberdeen, by the River Don, which is currently used by the local community for a range of leisure activities. Once in community ownership, they will improve and develop the area while also encouraging volunteering and training opportunities.
Fittie Community Development Trust	Aberdeen City	£ 53,000	The group will purchase the former Gospel Hall in Footdee, Aberdeen, which will be revived to create a thriving community owned facility.
Tarves Development Trust	Aberdeenshire	£ 99,200	The group will purchase the Tarves Community Hub, to develop it as a meeting place and increase community involvement, ownership and to generate sustainable income.

Dronley Community Woodland	Angus	£ 394,000	The group will purchase 50ha of land within the boundary of Dronley Wood in Angus through the Forest Enterprise Community Asset Transfer Scheme. The project will employ a new part-time woodland manager to support and deliver the woodland management plan.
Blairmore Village Hall Trust CIC	Argyll & Bute	£ 15,750	The group will purchase a small plot of land adjoining Blairmore Village Green and Hall to provide a recreational green space and sustainable tourism hub.
Cairndow Community Childcare Ltd	Argyll & Bute	£ 37,000	The group will purchase 0.7 acres of a former coniferous plantation near Loch Fyne, Clachan, Argyll. They plan to develop the site for a new-build childcare facility and community resource centre.
Dalavich Improvement Group	Argyll & Bute	£ 31,080	The group will purchase four fields in the local area, Mill Field, Homestead Field, Druimdarroch Field and Church field from the Forestry Commission Scotland. They will implement a long term strategy to improve the landscape of the village, provide grazing, a community garden project locally grown fresh fruit and vegetables.
Eilean Easdale	Argyll & Bute	£ 15,730	The group will purchase a local dormant quarry on Easdale island, south of Oban, where the World Stone Skimming Championships take place. Owning this asset will make the championships more secure to the benefit of locals, visitors and businesses.

Iona Village Hall Trust	Argyll & Bute	£ 36,000	The group will purchase two areas of land adjoining the site of the Iona Village Hall which will create the opportunity for the Trust to replace the hall with a new, larger building with flexible space to accommodate a wide variety of services and activities, as well as providing space for outdoor activities and events.
Mid Argyll Community Enterprises Ltd	Argyll & Bute	£ 315,788	The group will buy the land on which the pool is built, as well as two buildings beside it. Plans for the future include upgrading the existing swimming facilities, opening a new community café and providing rental space for therapies and sports classes.
Mid Argyll Youth Development Services	Argyll & Bute	£ 155,118	The group will purchase their current building from which they operate, as well as two adjoining pieces of land which will allow them to provide young people under 25 with a range of services including training, youth clubs, drop-ins, cyber cafe, trips, community cinema and much more.
Mull & Iona Community Trust	Argyll & Bute	£ 257,266	The group will purchase land adjacent to the community-owned pontoon at Ulva Ferry on the Isle of Mull and develop a Shore Facilities building to provide a social meeting space for the community and facilities for visitors.
Mull and Iona Community Trust	Argyll & Bute	£ 156,866	The group will purchase land at Ulva Ferry on the Isle of Mull and develop the site for new affordable housing to address local needs and help build a more sustainable community in this remote rural area.

North West Mull Comm. Woodland Co.	Argyll & Bute	£ 4,415,200	The group will purchase the estate, which spans 2,000 hectares and includes the Isle of Ulva, as well as some land on nearby Mull. Following consultation with local people, the number one priority for community ownership is to attract new residents by increasing economic activity and housing stock.
Re-Jig (Recycle Islay & Jura)	Argyll & Bute	£ 289,389	The group will purchase 263 acres of forest on the Oa peninsula, Islay. The project, Islay Community Forest Initiative, will provide a sustainable forest to create volunteering and training opportunities.
South Kintyre Development Trust	Argyll & Bute	£ 146,044	The group will purchase the former SSE Hydro building situated in the centre of Campbeltown to provide bespoke facilities for older people's service providers in Campbeltown. Ownership of the building will enable the growth and development of the services in a central location and provide rental income to SKDT.
The Isle of Kerrera Development Trust	Argyll & Bute	£ 119,167	The group will convert the former Kerrera School into a community hub for locals and visitors.
Tiree Community Development Trust	Argyll & Bute	£ 154,370	The group will take over the ownership and management of a group of buildings and assets in Hynish, known as the Hynish Centre, from the current owner the Hebridean Trust.
Tobermory Harbour Association	Argyll & Bute	£ 99,307	The group will purchase the old sawmill, boathouse, pier and slipway in Aros Park on Mull, together with the surrounding land, as a springboard towards the regeneration of the area for tourists and the local community.

Castle Loch Lochmaben Community Trust	Dumfries & Galloway	£ 54,000	The group will purchase 21 acres of woodland that adjoins the grounds of the community-owned Castle Loch in Lochmaben. This will allow a new track to be developed, will add a new habitat of broad-leaved woodland to the loch and will create new volunteering opportunities associated with the woodland restoration and management.
Glentroll & Bargrennan Community Trust	Dumfries & Galloway	£ 40,000	The group will turn Glentroll Primary into a multi-use community facility with a self-catering unit for disabled visitors.
Moffat Community Woodland	Dumfries & Galloway	£ 171,622	The group will purchase 33.4 hectares of local woodland on Gallow Hill in Dumfries and Galloway.
New Luce Community Trust	Dumfries & Galloway	£ 178,000	The group will purchase the Kenmuir Arms Hotel to create a sustainable attraction for tourists, cyclists and walkers on the Southern Upland Way, to offer a shop, post office, tearoom and restaurant and accommodation.
Nith Valley LEAF Trust	Dumfries & Galloway	£ 68,400	The group will buy land at Castle Crescent in the village of Closeburn near Dumfries to build three terrace houses for local young families.
Old Luce Development Trust	Dumfries & Galloway	£ 82,800	The group will purchase the former Brambles Café situated on Main Street, Glenluce. The café closed seven years ago and the condition of the building is deteriorating adding to the already declining condition of the built environment in the centre of this small village due to closed and derelict buildings.

Thornhill Collective	Dumfries & Galloway	£ 144,000	The group will purchase the former Wallace Primary School in the village of Thornhill, also in Dumfries & Galloway, and redevelop it as studios, offices, hot-desking facilities, workshops, a performance space, a community kitchen and a creative studio.
Wigtown & Bladnoch Community Initiative	Dumfries & Galloway	£ 130,000	The group will purchase the former Bank of Scotland building in the centre of the town of Wigtown and develop it to provide two affordable homes, and a new bunkhouse facility to provide low cost accommodation to cater for the increasing number of visitors to the town.
Crossroads Community Hub	East Ayrshire	£ 30,517	The group will purchase the vacant site of the former Primary School at Crossroads, East Ayrshire, to develop a new community hub. This will incorporate a community-led farm shop, coffee shop with teaching kitchen meeting/workshop space and a social/learning hub.
Dunlop Community Hub Ltd	East Ayrshire	£ 160,000	The group will purchase the only remaining Public House in the village and develop the upper floor to create a new, flexible space for community activities and events.
Ochiltree Community Hub	East Ayrshire	£ 35,290	The group will purchase a centrally located site on which the village community centre and library were located in order to create a new community hub.
Cockenzie House and Gardens	East Lothian	£ 628,800	The group will purchase the historic Cockenzie House, built in 1680, and its associated four acres of grounds. Community ownership will mean that the group can secure and build on the facilities that it currently provides including two self-catering holiday cottages; 35 offices and studios occupied by small businesses; an art gallery; a gift shop and a tearoom.

Gifford Community Land Company	East Lothian	£ 291,520	The group will purchase a 55.8 acres of woodland next to the village of Gifford, East Lothian.
The Fraser Centre	East Lothian	£ 56,100	The group will purchase The Fraser Centre in Tranent town centre, which will be demolished and replaced with a new facility providing a cinema/theatre space, café, meeting rooms and office spaces for a range of community and enterprising activities.
Action Porty	Edinburgh	£ 647,500	The group will purchase the former Portobello Old Parish Church and Halls situated on Bellfield Road, Portobello, Edinburgh under the Land Reform (Scotland) Act 2003). This will bring a previously well-used local amenity into community ownership and create the opportunity for it to be developed into a multi-purpose community hub.
Kirkliston Village Hall Association	Edinburgh	£ 56,500	The group will purchase an area of land in the centre of the village of Kirkliston, on the outskirts of Edinburgh to develop the site for a new community facility.
Carloway Community Association	Eilean Siar	£ 74,758	The group will purchase the former Carloway Primary School and associated land situated at Knock, Carloway. The grant will also be used to help develop the building as a Rural Life Centre including a community shop, ATM and post office, as well as a space for new enterprises to grow.
Comann Eachdraidh Uibhist A Tuath	Eilean Siar	£ 100,586	The group will purchase the Old Carinish School and adjoining School House in North Uist to relocate their important Collections from the island of Benbecula, to make these accessible and to become an active community hub for the Gaelic Language, for learning, family history and the welcoming of visitors.

Grimsay Community Association	Eilean Siar	£ 164,900	The group will purchase the former Grimsay Free Church Mission House. The adjacent former Church is already in community ownership, thanks to a previous Scottish Land Fund grant, and has been converted into a busy community centre. This new grant will reunite an historic site and provide new opportunities for the people of Grimsay.
North Harris Trust	Eilean Siar	£ 20,755	The group will purchase the former Care Unit located on Scalpay from Comhairle nan Eilean Siar and convert it to provide two affordable housing units.
Pairc Trust	Eilean Siar	£ 50,621	The group will purchase the former Elderly Care Unit at Gravir which it will renovate to provide an affordable family home for rent.
Sealladh na Beinne Moire	Eilean Siar	£ 25,175	The group will purchase the former Visit Scotland building in Lochboisdale to support the development of a new or existing business to serve both the community and visitors. It is anticipated that the building will be rented to small businesses with a provision of visitor information incorporated.
Boarhills and Dunino Community Trust	Fife	£ 146,340	The group will purchase the site of a derelict yard and doocot on the edge of Boarhills village in Fife. They intend to develop it to create a green space for the community with an orchard, seating, play area, hedging, wildflowers and to restore the 17th Century doocot.
Dunbog Community Hall	Fife	£ 31,500	The group will purchase two acres of land adjacent to the community hall, next to Dunbog Primary School, which will be used to bring generations together to enjoy a range of fun and healthy activities.

Dunshalt Community Shop Ltd	Fife	£ 97,500	The group will purchase the former Dunshalt Village Shop and Post Office in Fife, which closed in May 2016. The shop was the only one in the village and its closure has resulted in villagers having to make a 5 mile round trip to purchase basic groceries. DCS intend to refurbish the premises and improve the range of goods and services available.
Greener Kirkcaldy	Fife	£ 202,800	The group will purchase the former Central Area Library HQ near Kirkcaldy town centre to house the Kirkcaldy Community Food Hub offering a range of training, employment, work experience and volunteering opportunities around food production and preparation.
Poets Neuk	Fife	£ 61,750	The group in St Andrews aims to buy a small, neglected garden on the site of what was Greyfriars Chapel and create a poetry garden that reflects the site's history and its connections with Mary, Queen of Scots.
Barmulloch Community Development Company	Glasgow	£ 85,000	The group will purchase the former All Saints Church and associated church house, known locally as the Broomfield Road Centre. The centre currently houses a popular boxing gym, Money Advice Centre and training/meeting rooms, all of which will continue to flourish when the premises are brought into community ownership.
Copperworks Housing Association Ltd	Glasgow	£ 419,000	The group will purchase a vacant open space at Millburn Street, Royston, Glasgow, locally known as the Triangle site and develop it as an open green space for leisure, recreation and play to complement the wider social housing and regeneration strategies being undertaken to improve the quality of life in Royston.

Kinning Park Complex SCIO	Glasgow	£ 197,650	The group will purchase the building, which they currently lease, as well as an adjacent former nursery building, allowing them to renovate and extend the space available for future activities and services.
Spire View Housing Association	Glasgow	£ 40,000	The group will purchase the Rainbow Hall building in Royston which will be part demolished and then rebuilt to create a new 21st century community facility for local people.
The Pyramid at Anderston	Glasgow	£ 324,000	The group will purchase the 'B' listed Anderston Kelvingrove Parish Church situated in Anderston near Glasgow City Centre to improve the access and flexibility of the accommodation to maximise the use of the building and improve its long-term viability.
Barmulloch Community Development Co.	Glasgow	£ 88,000	The group will purchase the former Barmulloch Church of Scotland in Barmulloch, Glasgow, which it currently leases. They plan in the longer term is to refurbish the building to create more space for community activities and to provide training and employment opportunities.
Easthall Residents Association	Glasgow	£ 65,800	The group will purchase two neglected and derelict areas of land in Easterhouse to create two areas that will provide leisure facilities for outdoor activities including; tennis courts, seven a side football pitch, running track, bike track, adventure play area and outdoor gym.
Caberfeidh Horizons	Highland	£ 185,339	The group will purchase a former police station located in the main street of Kingussie in Badenoch and Strathspey to adapt the building to develop a charity shop, community space and multi-functional accommodation facility.

Fort Augustus & Glenmoriston Comm. Co.	Highland	£ 202,000	The group will purchase a piece of open land and deciduous woodland situated in the centre of the village of Fort Augustus, following a successful community right to buy decision. They plan to manage the woodland by retaining the broadleaf trees to create a woodland amenity with walks.
Fort Augustus & Glenmoriston Community Company	Highland	£ 98,724	The group will purchase the site before going onto develop a new, larger medical centre that will house the local General Practitioners and a range of complementary medical and health based services for local people.
Garbh Allt Community Initiative	Highland	£ 273,025	The group will purchase the West Helmsdale Crofting Estate near the village of Helmsdale in East Sutherland. Ownership will empower the community to lead and control the future development of the Estate.
Helmsdale & District Development Trust	Highland	£ 21,000	The group will purchase a disused filling station and forecourt in the centre of the remote rural village of Helmsdale, East Sutherland and develop it as a community-owned fuel filling station.
Kyle of Lochalsh Community Trust	Highland	£ 67,240	The group will purchase the former Skye Bridge Toll Office building and an adjacent 80 acre park/open space area known as The Plock of Kyle.
Lairg & District Community Initiatives	Highland	£ 210,000	The group will purchase the site of the former Sutherland Arms Hotel, as well as the adjoining Old Coach House building in the centre of Lairg, on which to build a new development that will provide extra care homes, a central space for shared meals and social events, a small fitness suite and space to provide community services.

Lochcarron Community Dev. Company	Highland	£ 60,000	The group will purchase a plot of land beside the community owned Kirkton Wood in Locharron to create an access road into the woodland. Ownership of the land will also create the opportunity for a new social housing development which will help address the acute lack of affordable housing in the area.
Minginish Community Hall Association	Highland	£ 38,500	The group will purchase an existing car park and an adjacent area of woodland totalling 30.5 acres near the popular Fairy Pools attraction at Glen Brittle, Carbost, on the Isle of Skye. The group will expand the car park to create additional spaces thereby reducing the existing traffic congestion.
North Sutherland Community Forest Trust	Highland	£ 47,500	The group will purchase Forsinain Wood in Sutherland on behalf of the local community. The purchase, made under the National Forest Land Scheme, will allow the Trust to manage the 35 hectares of woodland as a community asset.
Raasay Development Trust	Highland	£ 19,000	The group will purchase a disused gravel quarry situated on the edge of the village of Inverarish on the island of Raasay. The site will initially be developed for the storage and processing of logs to be used for a wood fuel project and to provide a site for a transformer associated with the nearby community-owned micro-hydro-electric scheme.
Rogart Development Trust	Highland	£ 131,757	The group will purchase the former Auction Mart in the centre of Rogart in Sutherland with plans to convert the building into a multi-purpose indoor/outdoor venue, including covered indoor/outdoor space for markets, performance events and celebrations, and a heritage exhibition space.

Russian Arctic Convoy Project	Highland	£ 72,820	The group will use the funding to purchase the former butchers shop and accompanying land in Aultbea in the North West Highlands of Scotland to build an Exhibition Centre to commemorate the WWII Arctic Convoys.
Staffin Community Trust	Highland	£ 231,700	The group will purchase an area of ground in Staffin on the Isle of Skye and develop it to provide six affordable houses, two business units and a store.
Strontian Community School Building	Highland	£ 50,825	The group will purchase a plot of land next to Ardnamurchan High School, at Drimnatorran, Strontian to build a community owned asset that it will lease, in the short term, to Highland Council as a new primary school.
Sunart Community Company	Highland	£ 41,000	The group will purchase the Visitor Information Centre in Strontian in the Highlands to secure the visitor information service for Sunart and the wider area. They will also develop partnerships with local business to ensure that it is viable to run.
Ullapool Community Trust Ltd.	Highland	£ 138,000	The group will purchase a premises on Argyle Street, Ullapool, from which the Trust currently operates its New Broom community shop and hub. Purchasing the building will secure the future of the hub and shop which are already providing new local employment and training opportunities.
West Highland Museum Trust	Highland	£ 305,500	The group will purchase a building in the centre of Fort William's main street. In the short term, it will be rented to a charity shop but in the longer term community ownership of the building will significantly improve the access, space and visibility of the existing museum building.

Wester Loch Ewe Trust	Highland	£ 28,644	The group will purchase Inverasdale Primary School, adjoining land, and the privately owned parking area directly across from the school to renovate, extend and manage the land and buildings as a new community centre with: exhibition space, community meeting space for events, services, heritage, training and recreation.
Branchton Community Centre Association	Inverclyde	£ 120,148	The group will purchase the Branchton Community Centre including the building and associated land, car park, sports area, play area and Multi-Use Games Area. They plan to provide a refurbished play area, a community café, vocational classes, health, fitness and diet activities, youth initiatives, community development work and employability initiatives.
Friends of Leadburn Community Woodland	Midlothian	£ 41,000	The group will purchase 23 acres of woodland in Midlothian from Forestry Enterprise Scotland. The woodland adjoins the group's existing community owned woodland near the village of Leadburn and, once in community ownership, will allow it to improve access to the site, develop new paths and expand the range of local volunteering activities.
Penicuik Community Alliance	Midlothian	£ 323,500	The group will purchase the former Scot-Mid building situated on the High Street in Penicuik, Midlothian, and develop the building to provide accommodation for a range of activities, including a retail area, an area for stalls for an indoor market, a bakery with social café and training kitchen, workshop areas and a large hall for events and activities.
Enzie Crossroads Community Woodland	Moray	£ 17,480	The group will purchase the Longhill Wood near Portgordon through the National Forest Land Scheme.

The Findhorn Village Conservation Company	Moray	£ 180,500	The group will purchase the Linksvie Garage site located in the village centre with the aim of bringing the site back into immediate community and non-residential use with units catering for a range of local services and trades. The green open space would be used as a storage area in the winter and for community/fundraising events in the summer.
Cornerstone House Centre Ltd	North Lanarkshire	£ 245,000	The group will purchase a building in the town centre of Cumbernauld where they will continue to deliver existing activities including renting rooms to third sector and other organisations, delivering projects and supporting the onsite facilities.
Getting Better Together Ltd	North Lanarkshire	£ 42,965	The group will buy the Springhill Community Centre and nearby land to continue and expand the services.
Glenboig Development Trust	North Lanarkshire	£ 87,064	The group will purchase the Glenboig Community Centre where they currently operate and develop it into a 'Life Centre', a flexible, multi-use space that will consolidate a range of community services and facilities into a single community owned asset serving people living in Glenboig, Gartcosh and surrounding villages.
Kirkshaws Neighbourhood Centre	North Lanarkshire	£ 68,262	The group will take ownership of the Kirkshaws Neighbourhood Centre, in Coatbridge, North Lanarkshire, which it currently leases. Community ownership will allow the group to refurbish the centre and to further meet the needs of the local community.

People United Banton	North Lanarkshire	£ 184,490	The group will purchase the Swan Inn in Banton, near Kilsyth, and turn it into a new community hub providing a range of services including a shop, post office, café/restaurant and multi-purpose meeting space, whilst retaining the pub as the focal point of the community.
Rousay Egilsay & Wyre Development Trust	Orkney Islands	£ 260,000	The group will purchase the Trumland Estate, taking 15% of this island in Orkney into community hands. Community ownership will create part-time employment opportunities for a Project Officer and a Ranger, as well as securing the site of the community-owned wind turbine.
Papay Development Trust	Orkney Islands	£ 187,000	The group will purchase a 4-bed detached house on the isle of Papay Westray, to help meet the urgent need for long-stay, affordable rental family homes. This will help to provide for the necessary economic, social and population growth required for a sustainable community on this remote island.
Sanday Development Trust	Orkney Islands	£ 160,818	The group will purchase the Kettletoft Stores, the Harbour House and the former Co-op Yard situated in the village of Kettletoft on the Island of Sanday, Orkney. SDT will develop the assets to provide a community and business centre, a 'gateway' house and a landscaped area with recreational equipment for children and adults.
Westray Development Trust	Orkney Islands	£ 16,800	The group will purchase a plot of land situated in the village of Pierowall on the isle of Westray, Orkney. They will develop the site for a fruit and vegetable growing project entitled 'Food Miles to Food Smiles'.

Westray Development Trust	Orkney Islands	£ 147,600	The group will purchase the former Harbour Master's house in the village of Pierowall in Westray in the Orkney Isles and transform it into four apartments for affordable rent in order to meet the acute shortage of accommodation on the island.
Arngask Hall	Perth & Kinross	£ 229,140	The group will purchase the former Schoolhouse adjacent to the village hall, to create an informal meeting space, café and smaller meeting rooms in the building, as well as creating a passage into the village hall.
Strathmore Community Hub	Perth & Kinross	£ 113,000	The group will purchase the former medical centre in Coupar Angus, the Trades Lane Health Centre, to develop a community hub and support the community to reduce social isolation and increase well-being, community learning and creative opportunities.
A Heart for Duns	Scottish Borders	£ 206,000	The group will purchase the Volunteer Hall in Duns town centre on behalf of the community. This will empower local people to be involved in its future development and management.
Coldstream Community Trust	Scottish Borders	£ 105,500	The group will purchase the 'B' listed five bedroom Keith House in the centre of the High Street in Coldstream to convert the building into two affordable homes. The property has been unoccupied for ten years.
Eyemouth & District Community Trust	Scottish Borders	£ 82,500	The group will purchase and redevelop the vacant Burgh Chambers and adjoining Town Hall to create a 'Social Eco Innovation Centre'. The centre will provide a learning and training space, a social enterprise training kitchen, an IT resource centre, office space and space community activity.

Kalewater Community Company	Scottish Borders	£ 27,500	The group will acquire an agricultural field next to the village hall in the rural village of Morebattle in the Scottish Borders. Ownership of the land will allow the community to develop a trim trail, a community orchard, a garden, playparks and picnic area.
Morebattle Village Shop	Scottish Borders	£ 143,000	The group will acquire the Village Shop and Post Office in the rural village of Morebattle in the Scottish Borders. The shop is the only remaining general store in the village.
Peebles Community Trust	Scottish Borders	£ 48,765	The group will purchase 17 acres of Eshiels Wood in Peebles and bring it into community ownership in order to enhance the landscape and biodiversity, improve public access and safeguard a cycle route, which runs alongside the River Tweed through an environmentally sensitive area.
Community Development Co. Nesting	Shetland Islands	£ 47,109	The group will purchase a former primary school, the Aald Skul and immediate surrounding area and wooden huts, in Vassa, South Nesting. Once in community ownership, they plan to provide a range of activities through a five year phased plan including a childcare facility; a gym, a workshop and learning centre.
North Yell Development Council	Shetland Islands	£ 113,900	The group will purchase two separate areas of land in Cullivoe. The first of these is an extension to the group's existing industrial estate which will allow it to develop the land to be let to local businesses. The second is foreshore land that will support a proposed new marina development including pontoon berths, campsite and visitor facilities.

Sandwick Social and Economic Development SCIO	Shetland Islands	£ 38,032	The group will purchase a piece of land opposite Hoswick Visitor Centre in Shetland in order to create additional car parking and cycle space and to install an electrical vehicle charging point, as well as adding outdoor seating and an interpretation area.
Unst Partnership	Shetland Islands	£ 38,469	The group will buy its current premises at Hagdale in Baltasound to create a dedicated recycling service and second-hand shop owned and operated by members of the Unst Community. The unit will also be used as the office base for the organisation.
Straiton Village Cooperative Ltd	South Ayrshire	£ 257,500	The group will purchase the Village Store's premises and adjacent residential house in the rural village of Straiton in South Ayrshire. Ownership of the properties will secure the shop for the community creating the opportunity to extend the range of products and services on offer and provide an additional source of income by renting out the adjacent house.
Carluke Development Trust	South Lanarkshire	£ 278,000	The group will bring into community ownership the High Mill site next to Carluke town centre. The site includes the A-listed High Mill, which is the most complete windmill of its type in existence in Scotland, and a former market garden extending to 1.2 acres.
Douglas St Bride's Community Group	South Lanarkshire	£ 141,350	The group will purchase a building in the village of Douglas, South Lanarkshire, part of which the group lease for their charity shop which provides a useful source of income to support the operation of the St Brides Community Centre.

Bannockburn House Trust	Stirling	£ 648,300	The group will purchase the historic Bannockburn House and associated grounds extending to 25 acres situated just outside the small town of Bannockburn, Stirlingshire. This will secure the house to provide a focal point for the community and a base for new employment and volunteering opportunities, as well as community events and activities.
Cambusbarron Community Development Trust	Stirling	£ 425,750	The group will purchase the woodland areas of The Gillies Hill to develop it for people now, and future generations, to enjoy.
East Loch Lomond Community Trust	Stirling	£ 159,600	The group will purchase land to develop four community owned homes as part of a wider development of twenty. The facilities will be managed by Rural Stirling Housing Association and will contribute to the local economy by providing key workers housing and stabilising local businesses.
Killin and Ardeonaig Community Development Trust	Stirling	£ 110,213	The group will purchase a local newsagent and gift shop in the main retail area in Killin and lease it to a local social enterprise to deliver community services including newsagent, post office, grocers, information and advice services.
Valley Renewables Group	Stirling	£ 130,000	The group will purchase four areas of land owned by Forest Enterprise Scotland at Carron Bridge, to the south and east of the entrance to the Carron Valley Forest and Reservoir, in order to create an open area for outdoor community events and activities.
Kilmaronock Community Trust	West Dunbartonshire	£ 98,000	The group will purchase an area of land situated behind Kilmaronock Millennium Hall in the village of Gartocharn. Community ownership will provide an opportunity to create an outdoor facility providing amenity space.
