

Organisation	Project Title	Amount	LEP	Press Summary
Groundwork London	CtoC/3/9 - WAVES (Work and Voluntary Experience to Succeed)	£349,300.00	Coast to Capital	The project will increase social inclusion in the Coast to Capital LEP area, by providing innovative support to help disadvantaged participants towards and into employment.
Reading Borough Council	TVB/3/3 - The Stronger Together Partnership	£1,317,540.00	Thames Valley Berkshire	The project will support those furthest from the labour market through tailored action plans to improve skills and increase confidence. Individualised support to overcome barriers to work will include key workers, tutoring and jobs clubs. Specialist support will be offered for those with additional barriers to employment, including ex-offenders.
Slough Borough Council	TVB/3/2 - Better opportunities for East Berkshire	£878,360.00	Thames Valley Berkshire	The project will support the most disadvantaged groups in the East Berkshire area to develop their capabilities and competencies for employment, including self-employment or becoming social entrepreneurs. Participants will include those who face significant barriers to work and who are furthest from the labour market.

R.C.S. Ltd	EM/3/2 - The Alliance Programme	£485,000.00	Enterprise M3	The project will support 150 people who face multiple barriers and have complex needs to move closer to, or into, learning or work.
WEA	Lancs/3/4 - ReachIT	£2,897,700.00	Lancashire	The project aims to increase digital inclusion by providing targeted, personalised digital skills training and volunteering to unemployed or economically inactive residents of Lancashire.
