

Building Better Opportunities Essential update April 2021 - Updated Annex H

Updated Annex H

In our [Essential Update in March 2021](#) we mentioned that we would be updating **Annex H: Participant entry form** to reflect the change in Eligibility of EEA Nationals for support from ESF. This update is complete, with Annex H version 12 now available both in colour and black and white on the [Guide to Delivering European Funding](#) pages of our website.
