## Northern Ireland - Round 3 Awards

APPLICANT NAME	PROJECT DESCRIPTION	AWARD
Carrickfergus	Carrickfergus Enterprise will	£77,080
Enterprise	organise and deliver a two-year	
	programme of business support and	
	training throughout the coastal	
	area between Newtownabbey and	
	Larne. It will also work with local	
	businesses to develop a	
	collaborative marketing strategy	
	which aims to attract more visitors	
	to the area and to increase the	
	average visitor spend.	
Ballycastle Town	Ballycastle Town Market will	£96,901
Market	provide sustainable business	
	facilities, support, marketing and	
	training, to local craftspeople and	
	food producers to lead to	
	sustainable economic growth. The	
	project will purchase 15 pop-up	
	marquees to allow local	
	craftspeople to trade to local	
	people and tourists alike at the	
	waterfront area in Ballycastle. This	
	will be supported by business	
	workshops for all market members	
	to share their learning.	-
Causeway Enterprise	Causeway Enterprise Agency will	£120,000
Agency Ltd	create a studio, learning and retail	
	facility for local artists, crafters	
	and designers in Bushmills, County	
	Antrim. This will support the	
	development of the micro	
	businesses in the town, thus	
	encouraging economic growth and	
	job creation. Causeway Enterprise	
	Agency will also develop a range of	
	'arts and crafts' workshops and will	
	promote the town of Bushmills as a	
	'craft village'. This will help to	
	raise the profile of the town and	

	will don't be with a	T
	will draw in tourists from	
	surrounding attractions like the	
	Giants Causeway.	
Bayview Synergy Space	Bayview Synergy Space Ltd aims to	£96,944
	provide affordable co-working and	
	co-retailing space for up to 26	
	small businesses from the creative	
	and food sectors. The project will	
	refurbish the ground floor of a	
	semi-derelict former care home	
	located on the Newcastle seafront	
	to create a shared	
	retailing/exhibition area, two	
	workshops/studios and a prep-	
	kitchen, which will be available for	
	rent on a flexible basis. Mentoring	
	and development support will be	
	provided for new start businesses	
	and existing businesses seeking to	
	relocate.	
Ocean Veg Ireland Ltd	To further develop and operate a	£71,844
	kelp 'nursery' laboratory on Rathlin	
	Island to provide Ocean Veg Ireland	
	Ltd. with young kelp plants for	
	growing out at sea to enhance	
	production levels to meet	
	increasing demand from retail, food	
	manufacturers and restaurants	
	across the UK. The laboratory will	
	also function as an educational and	
	visitor attraction and will work	
	closely with further education	
	establishments and link into other	
D (11): 11	local tourism businesses.	6707 7 10
Rathlin Island	Rathlin Island Development and	£736,643
Development and	Community Association will develop	
Community Association	'The Manor House', a listed	
	building adjacent to the harbour on	
	the island. Refurbishment will see	
	the building upgraded from B&B	
	accommodation to a guest inn	
	offering full restaurant and	
	beverage facilities. The upgraded	
	building will support increased	
	visitor numbers and fit with other	
	types of accommodation and other visitor attractions on the island.	
Coleraine Harbour	This project will improve harbour	£443,143
Coleranie Hai Doui	storage and engineering facilities to	LTTJ, 173
	benefit the boating and tourism	
	communities at Coleraine Harbour	
	and along the Causeway Coast	
	combating the decline in traditional	
	cargo handling. Businesses	
	operating from the refurbished	
	טף בומנוווצ ווטווו נוופ ופועוטואופט	

 <del>_</del>	
facilities will provide employment	
in marine engineering, marine	
painting, marine joinery and GRP	
moulds/glass fibre repair with	
further indirect jobs in supplies and	
tourism.
