National Lottery funded grants

Local Authority	Organisation	Summary of what the grant will be used for:
Powys	Bracken Trust Limited	Bracken Trust Limited, who deliver services to those suffering or recovering from cancer, will expand on the services at their base in Llandrindod Wells and develop wellbeing and community support services in hubs in Knighton and Llanidloes. This will include a robust, designated 'home support service' and a telephone support system 5 days of the week. A recruitment and retention strategy for volunteers will be developed and additional volunteers recruited to help at the hubs, and information technology will be improved making it more user friendly, interactive and bilingual. The grant, £499,964 over five years, will fund the salaries of three full time equivalent staff posts, training, travel expenses accommodation and utilities, marketing and communications, monitoring and evaluation and redundancy costs.
Rhondda Cynon Taf	Valleys Kids	The project will be working with families in poverty and or struggling to cope following austerity measures in Rhondda Cynon Taff. Beneficiaries will be families and individuals who are poor, socially isolated, lonely, lacking in confidence, with low self-esteem, many experiencing crisis in their lives due to low income. The grant of £498,833 will be spent working with a wide range of local organisations and service providers to deliver the project and refer and signpost and will benefit 300 individuals.
Swansea	Gendros Baptist Church	Gendros Baptist Church in Swansea will use the grant to run a mobile youth centre, designed to reach young people in their neighbourhoods and provide mentoring support for those experiencing isolation, loneliness, and criminal behaviours. £9,880 will fund staff training, volunteer, training, development worker fees, resources and training materials, refreshments, staff costs for a Youth Outreach Manager, leaflets, and posters.

National Lottery funded grants

Local Authority	Organisation	Summary of what the grant will be used for:
Swansea	Townhill Community Centre	Townhill Community Centre in Swansea will use the grant to improve the facility for user groups and the wider community, to allow them to continue tackling poverty and loneliness in the local community. £3,875 will fund kitchen equipment, an electric cooker, painting costs, radiator covers, carpets, sports hall mats, lino, refreshments, and marketing costs.
Swansea	Crisis UK	Crisis UK will engage with homeless people who have lived experiences and provide training for them to act as volunteers in order to offer peer-to-peer support for other beneficiaries that are homeless. A psychology staff professional will also be employed in order to address complex mental health issues that some beneficiaries may be encountering. The purpose of the project is to work with beneficiaries, across Neath, Swansea and Port Talbot, in order to provide one-to-one support to obtain housing and address any mental health issues that are prominent. They will work closely with Skylight South Wales to deliver this project. £470,981, over four years, will cover salaries, expenses, marketing, evaluation, accommodation and other general running costs.
The Vale of Glamorgan	The Intersensory Club	The project will significantly increase the number of people with severe disabilities in wheelchairs participating in cycling and boating activities in the Barry area. New equipment, including a new power boat, and additional sessional hours will offer increased opportunities for engagement. The £85,000 grant, over five years, will fund a new boat, 1 x PT Sessional Manager, expenses, monitoring/evaluation and insurance.
