Welsh Ministers/The National Assembly for Wales, in exercise of the powers conferred on them/it by Section 36E(4)(a) of the National Lottery etc. Act 1993 and having consulted the Big Lottery Fund (“the Fund”) and obtained the consent of the Minister for the Cabinet Office pursuant to Section 36E(8)(b) of that Act, hereby give/gives the following directions to the Fund.

### **DIRECTIONS – WELSH DEVOLVED EXPENDITURE**

In exercising any of its functions in relation to Welsh devolved expenditure, the Fund shall take into account the following matters in determining the persons to whom, the purposes for which and the conditions subject to which the Fund distributes the money under Section 25(1).

- A. The need to ensure that the Fund achieves the distribution of funds to a reasonably wide spread of projects, primarily those delivered by the third sector, including small organisations, as well as regional and national organisations, those organisations operating at a purely local level, newly constituted organisations, organisations operating as social enterprises and organisations with a base in the United Kingdom and working overseas.
- B. The need to operate within the distinctive Welsh policy, governmental, social, economic, environmental and cultural context, ensuring funds complement and add value to, whilst remaining distinct from, the work of Government.
- C. The need to ensure that funds are distributed on the basis of need, targeting disadvantage and inequality to deliver real and sustainable improvements for communities and individuals which have a lasting impact beyond the duration of the Fund’s funding, and which support collaborative approaches across the public, third and private sectors in conjunction with and complimentary to the Welsh Government’s central organising principle of sustainable development.
- D. The need to have regard to the interests of Wales as a whole and of the different parts of Wales, the relative population sizes and the levels of economic and social deprivation in the different parts of Wales.
- E. The need to ensure that money is distributed for projects which promote the public and social benefit and are not intended primarily for private gain.
- F. The need to involve the public in setting priorities and distributing funds.

- G. The need to promote and support the Welsh language and to reflect the bilingual nature of Wales, and to ensure that grant recipients adopt the principle of equality between the English and Welsh languages.
- H. The need to ensure that money is distributed which improves Wales's environment today and for future generations whilst promoting its potential to improve the quality of life for communities and individuals
- I. The need to provide support for those applying to the Fund, and to organisations receiving funding, in order to improve the delivery of project outcomes and to enable them to provide effective solutions to the issues that matter to them and to their communities.
- J. The need to support new and innovative solutions alongside tried and tested models, generating learning to help the development of policy and practice beyond the Fund's funding.
- K. The need to include a condition in all awards for recipients to acknowledge Lottery funding using common Lottery branding.
- L. Finally, the need to ensure that the Fund focuses expenditure on the achievement of the following outcomes over time:
- People are healthy and living productive lives in a prosperous and innovative society
  - A resilient rural and urban environment with more sustainable use of Wales's natural resources
  - Conditions are strengthened for stronger, safer and more cohesive communities, enhancing social justice whilst mitigating the effect of poverty as well as encouraging sustainable economic growth.
