Our Bright Future Year 2 Quarter 3 Highlights

This quarter we've hit the milestone of 35,000 young people being involved in the programme. Here's a sample of what they have been doing.

Ulster Wildlife Trust: Grassroots Challenge

Students at three special schools have built bird boxes for their school grounds

Feedback: From Farm to Fork

1.6 million portions of fruit and veg have been saved for charities and community groups

'It felt adventurous to me, it felt refreshing...it even got me out'

- Young person with autism at Yorkshire Dales Millennium Trust's Green Futures project

30 animal species and 23 native plant species have been recorded in the gardens

St Mungo's: Putting Down Roots for Young People

'Eco Talent took me out of my comfort zone...it made me more considerate as well'

- Young person taking part in vInspired's Eco Talent project

Young people joined a craft club for the elderly to create an intergenerational photography project about the local area
Impact Arts: Creative Pathways

'Hearing the birds singing makes me happy'

- Young person at Wiltshire Wildlife Trust's Milestones project
