

Organisation	Local Authority	Award	Project summary
Association for Black Engineers (UK) Limited	Aberdeen City	£49,300	This two-year Nextgen Coding Club project will deliver a programme of coding opportunities for young people aged 8-17 years with a focus on those from a mixed ethnic minority background. The work will initially take place online with intended to face to face sessions as restrictions ease and will work primarily with young people from Aberdeen, improving their IT and coding skills with a view to promoting STEM based work.
Mid Argyll Youth Development Services	Argyll and Bute	£60,000	This group will use the funding to support continuation of their wide-ranging and impactful youth service. The 3-year project will engage 250 young people per year from the Mid-Argyll, Kintyre and Islay localities offering groups, activities and clubs as well as career, young carers, mental health and counselling support.
Tiree Community Development Trust	Argyll and Bute	£46,814	This group will use the funding to support a broad range of wellbeing and volunteering opportunities for young people on the Isle of Tiree. The 3-year project will engage up to 150 young people in a variety of local activities building a culture of engagement and learning within the rural, island community.
Edinburgh Young Carers Project	City of Edinburgh	£99,166	This project works with young carers aged 16-25 years who are no longer at school and who are providing unpaid caring support to someone. Through the creation of a Transition Plan, created with the Young Adult Carer (YAC), the project will identify the carers strengths and look at things they need support with.
Gilded Lily Inspiring Enterprise CIC	Glasgow City	£99,980	This group will use the funding to support the mental health and wellbeing of young girls 12 -18 years of age through providing opportunities that empower them to learn new skills, build positive healthy relationships as well as raising awareness of and linking-in with other support projects.
Cantraybridge	Highland	£60,000	This group will use funding to re-open their onsite café, located within the grounds of the specialist further education college, as a social enterprise which will be open to the public and used daily by residential and day students as a learning and training facility. Students from the college (aged 16-25 years) will take part in activities in the café and kitchen and will learn valuable work experience and gain accredited skills.

Leaders Unlocked	North Ayrshire	£32,000	This group will use the funding to bring together a group of 25-30 young people, aged 14-25 years as Citizen Researchers who will scope and research the mental health support options available to young people in North Ayrshire. They will use this information to make recommendations to North Ayrshire council around what they feel is missing in the mental health landscape, what could work better and how services could better meet the needs of young people.
Glenboig Development Trust (SCIO)	North Lanarkshire	£41,062	The organisation will use this funding to start a new project where isolated and/or inactive young people will be encouraged to become more physically active through a tailored programme focused around mountain biking, kayaking and hillwalking. The aim is to increase young people's confidence and motivation so that they re-engage with learning.
Launch It Trust Paisley	Renfrewshire	£75,000	This group will use the funding to continue and develop their new support programme for young entrepreneurs in Renfrewshire. With the expert guidance of their Enterprise Manager Launch It will offer young people three levels of support, ranging from relatively brief contacts to intensive, longer-term support, with a minority of suitable candidates receiving the opportunity to operate out of a Launch It venue in the centre of Paisley.
Cheviot Youth	Scottish Borders	£84,170	This group will use the funding to deliver one to one employability training and support tailored to the needs of young people in Borders aged 15 to 24 years who are disadvantaged in the labour market. This will be complemented with small group workshops and short training courses, volunteering opportunities, and supported and paid work placements with local employers. Advice on money, benefits, and housing will enable young people to live independently and cope with lifestyle changes.
