

Organisation	Local Authority	Award	Project summary
Fersands and Fountain Community Project	Aberdeen City	£95,552	The group will deliver a wide range of youth led activities from their base in Woodside, Aberdeen. Activities will include four youth groups, a positive destinations group and a holiday programme. All activities are driven by the youth committee. The three-year project will involve around 200 young people and 40 volunteers aged between 12-25 years.
DEAP Limited	Angus	£99,679	This group will use the funding to create a space for young people to take part in activities and sessions to help improve their wellbeing, resilience and their confidence. The activities run will be decided on by the young people as the project progresses. The project will be run in Forfar, Angus and hopes to reach around 80 young people across the span of the funding.
The Pitstop Project	Angus	£93,000	This group will use the funding to run an employability project for young people, with sessions and workshops to build confidence and skills in their career of interest. The activities in the project will involve specific training and opportunities for the young people as well as coaching to help improve aspirations and confidence. The organisation will work with around 15 young people each year in Forfar and will run over three years.
Hawkhill Community Association Ltd	Clackmannanshire	£99,028	The group will use the funding to deliver a peer designed and led programme of recreational and wellbeing activities aimed at young people aged 12-15 years who live in the Hawkhill area of Alloa. The project will enable participants to make connections outside their immediate residential area and expand their horizons. 100 young people will benefit, with 20 volunteers assisting over two years.
Dumfries and Galloway Arts Festival	Dumfries and Galloway	£78,000	This group will use the funding to continue delivering their Stage iT project, which is run by young people, for young people aged 14 to 26 years. They will support young people to take ownership of staging events in the region, providing them with the opportunity to create the foundations for a career within the performing arts. Over three years, around 6,000 young people and 30 volunteers will take part in the project.
Helm Training Limited	Dundee City	£100,000	The group will use the funding to run a life and work skills project for young people as well as providing a shared facility where young people can experience independence. This will help provide care experienced young people with the skills needed for independent living as well as peer support. This will directly help around 12 young people across two years in Dundee.

Organisation	Local Authority	Award	Project summary
The Brunswick Community Development Trust Ltd	Glasgow City	£97,500	This group will use the funding to help provide opportunities for young people to learn new skills through volunteering to run the youth club's American themed café. Over three years it is anticipated that 150 young people and 25 volunteers will benefit from the project
Growing Families	Midlothian	£62,058	This group will use the funding to provide a youth club for children aged 8 to 14 years, with activities and events directed by the young people themselves. The group will be open to children from Loanhead, and the wider Midlothian area, be free to access, and run during school term times. This is a three-year project, with 470 young people benefitting over the life of the project.
Input SCIO	North Ayrshire	£71,680	This group will use funding to deliver a skills development programme for young people from North and East Ayrshire who have learning difficulties or additional education needs. Trainees will learn how to recycle donated used computing equipment, which will be given to groups and individuals who would benefit from them. Digital literacy and inclusion workshops will also be run with the support of the trainees. The project will work with 200 trainees and 10 volunteers over three years.
Gael Music	North Lanarkshire	£39,320	This organisation will use the funding to undertake an 18 month, young people led project where people of all ages share stories and music that have survived through their connection to the local landscape, whilst tying them together through the use of animation and computer aided design modelling. It will also result in a legacy of online content that can serve and educate local children in the future as well as a final work for public exhibition and live performances.
National Schizophrenia Fellowship (Scotland)	Perth and Kinross	£45,000	This group will use the funding to support young people with complex mental health needs as they transition out of Child and Adolescent Mental Health Services (CAMHS). The programme will provide support in transitioning to adult mental health services or helping young people reintegrate into their community. The project will work with 44 young people over one year across the Tayside region.
