

## Congratulations on receiving your grant from the Young Start programme!

As part of your grant contract with us we ask you to use the logo below where you can. Displaying our logo will show people who benefit from your project that you have received funding via Young Start. Only projects that have been awarded a grant from Young Start are eligible to use this logo, which we call the acknowledgement logo. We hope you will regard it as visual recognition of your success.

### Using our logo

You must use the acknowledgement logo on all materials you produce, such as posters or leaflets and include it on your website.

### Logo artwork

The logo must be used exactly as it is, and all elements (the text and both pieces of artwork) are locked into a specific relationship that creates one piece of artwork, you cannot alter or remove any part of it. We have put the artwork for the acknowledgement logo on our website [www.biglotteryfund.org.uk/youngstartfund](http://www.biglotteryfund.org.uk/youngstartfund). If you cannot access this, email the branding team at: [branding@biglotteryfund.org.uk](mailto:branding@biglotteryfund.org.uk) and they will help you.

### Which version?

The acknowledgement logo is available in full colour or grey. We prefer you to use the colour one unless this is more expensive for you to print. It is available in JPEG for word templates or online, EPS for large scale print and merchandise. Please do not use the acknowledgement logo in different colours from the one specified.

### Not too small

So the mark is readable and recognisable it should not be reproduced smaller than 30mm in height on printed material. If you are going to use it on your website please make sure it is large enough to be clearly legible.

**Notes for editors**

If you are doing promotional work, such as sending out press releases, or if you would like a standard piece of text for your annual report or website please use the text below as it gives accurate information about the Big Lottery Fund and the Young Start programme.

*Young Start aims to create opportunities for Scotland's children and young people aged eight to 24 to help them realise their full potential.*

*Young Start is a grants programme run by the Big Lottery Fund, which is distributing money from dormant bank accounts. Dormant accounts are deposits of money in bank and building society accounts where there has been no activity for 15 years or more.*

**Queries**

If you have any questions, email the branding team at:
